

Amendments to the Drawings

The attached sheet of drawings replace all prior drawings. The Notice of Allowability required corrected drawings. A complete set of corrected drawings is provided.

Attachment: Replacement sheets – 5 new sheets of Figs 1 through 6 replace the previous 4 sheets Figs 1 through 6.

Annotated Sheets showing the addition of spring 32 to Figs 2, 3, and 4, as required in the Notice of Allowance of April 1, 2010, are provided.

**REMARKS****DRAWINGS**

Corrected drawings were required. New formal drawings are included herewith. Better lines and shading are provided. Spring 32 is shown as required. No new matter has been added.

**INTERVIEW SUMMARY CORRECTION**

In the Interview Summary submitted with the Notice of Allowance, on the continuation sheet, it states that the "case would be placed in condition for allowance pending the incorporation of claim 18 into the independent claims". Applicant wishes to correct the record as it was the limitations of claim 15 which were in fact required and added to the independent claim for patentability, not claim 18.

**CONCLUSION**

This Reply is believed to be fully responsive to the Notice of Allowance. The Examiner is invited to contact the undersigned counsel to further the prosecution of this application in any way.

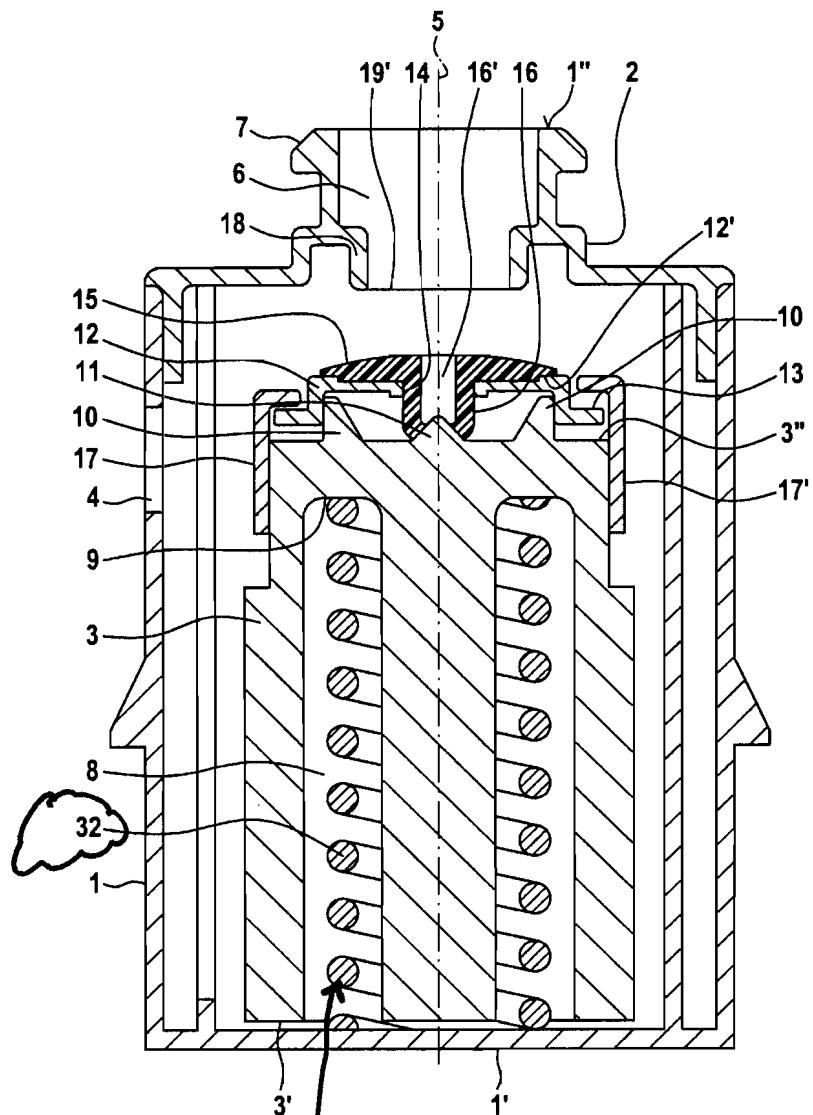

Respectfully submitted,

Dated: June 24, 2010
